We would like to thank you for choosing DeSilva Dermatology as your healthcare provider. We are committed to providing you with the best possible medical care. We are sure you understand that payment for this healthcare is your responsibility. The following information outlines your financial responsibilities related to payment for professional services.

For Our Patients with Medical Insurance Benefits:

We participate in most major health plans. We have contracts with many PPO, HMO insurance companies and government agencies including Medicare. Our billing office will submit claims for any services rendered to a patient who is a member of one of these plans and will assist you in any way we reasonably can to help get your claims paid. It is the patient's responsibility to provide all necessary information before leaving the office. If you have a secondary insurance we will automatically file a claim with them as soon as the primary carrier has paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. If your insurance requires a referral it is your responsibility to get with your PCP to obtain a referral. Please bring your insurance card(s) with you at the time of your appointment. If you are insured by a plan we do business with but don't have an insurance card with you, payment in full for each visit is required until we can verify your coverage.

Your insurance company required us to collect co-payments at the time of service. Waiver of co-payments may constitute fraud under state and federal law. Please help us in upholding the law by paying your co-payment at each visit. If you are unable to pay your co-payment your appointment may be rescheduled. Additionally, you may have coinsurance and/or deductible amounts required by your insurance carrier. These amounts are due at the time of service. Any outstanding balance on your account, after adjusting for all of your insurance's responsibilities, will be billed to you.

If your insurance changes, please notify us at least 24 hours before your next visit so we can make the appropriate changes to help you receive your maximum benefits. Any changes incurred by you because of failure to provide any necessary information will be your responsibility.

For Our Patients with No Medical Insurance:

If you do not have group or individual medical insurance, payment for all professional services is expected at the time of your visit.

Cosmetic Services:

Payment for all cosmetic services is due at the time of service. We will not take a partial payment for cosmetic services unless it is approved by a provider and management.

Late Arrivals:

A patient who arrives more than 15 minutes after his/her appointment is considered a late arrival. A late arrival, not considered to be the responsibility of the Practice, will be registered and worked into the schedule if possible or patient may need to reschedule appointment.

Divorced Parents of Patients:

By signing below, the adult who signs a minor child into our practice on the day of service accepts responsibility for payment. This office does not promise to send bills or records to the other parent/guardian for issues of payment or communication. We will communicate about treatment and payment with the parent who signs in that day. Parents are responsible between themselves to communicate with each other about the treatment and payment issues.

Laboratory Fees:

_____(initial)

DeSilva Dermatology uses third party pathology and diagnostic labs. Pathology services are performed on every biopsy and excision. DeSilva Dermatology cannot guarantee your insurance carrier will cover any labs or pathology performed or ordered by a physician. If your insurance company requires use of a specific lab it will be your responsibility to inform your physician for proper handling. You will be billed separately by the laboratory. By initialing, I acknowledge and agree to these terms and responsibilities.

Delinquent Balance Appointment:

Patients with a delinquent balance are required to make payment in full at time of service. A delinquent account is defined as a patient balance in excess of 90 days where the patient has not made any payments or sought assistance via financial hardship during this time. If such payment is not made, services may be refused. I agree to pay any costs incurred by DeSilva Dermatology in collecting any amount due including, without limitations collection agency fees and attorney's fees.
